A Note from Jo

Wow. What a busy term!

On Track Advance opened its doors on April 15th to 2 students, we finished the term with 6 amazing young people.

The students have been working hard especially in English and Maths lessons. They have developed their Independence skills cooking amazing food for lunch and the Mens Shed and have made great progress with the Arts Award.

Our students care about the environment and the world we live in. They have started work to improve the local environment and have achieved elements of the Woodland Trust Award. In addition, they are working hard to ensure On Track Advance becomes an Eco School.

I am so PROUD of each and every student and staff member. Well done to all!

The Team

We welcomed Paula our ESW and Nicola to teach H&B and Careers.

Huge Thank You to Bev, Marc, Paul and Andy from On Track Westbury who gave their time to ensure we could offer wider vocational studies.

We look forward to introducing our new team members in September.

The students completed the Olympic challenge: learning about different countries and cultures. We cooked foods from around the world and took part in alternative sports activities.... Welly wanging was great fun!

We have attended a number of fun activities which have benefitted the wellbeing of all: Animal parks, walks in the woods, boat trips, pottery painting and crazy golf. The list is endless.

We do classroom learning too.... Honestly 😊

We spent a lovely day at Longleat to celebrate an 18th Birthday

Well done everyone for your hard work this academic year and thank you to all our parents/carers for your continued support.
